

Keith Primary School Nursery Bulletin

30th September 2019

To Be All We Can Be

Keith Library Visits Thank you to the parents who helped us for the library visit we couldn't go out for trips and outings without parent helpers. The children enjoyed the story time session and the walk round the library to see the other resources that they could borrow. The children got to borrow a book to take back to the nursery and we will share them at story time.

Harvest Feast On **Tuesday 8th October** you will be invited to join your child for a Harvest Feast for our snack where children will have the opportunity to taste a variety of foods linked to Harvest. We discussed this with the children and suggestions so far have been vegetable soup and bread. Children will also be involved in the preparation for the Harvest Feast shopping for the ingredients needed and making of the foods you will be served. You will receive an invitation with the final details soon. We would very much appreciate it if you could bring with you any Harvest related items you may have at home, e.g. tinned foods, jams, soups, oatcakes etc. for a Harvest Basket we will be donating to the local care home as part of our learning about giving and sharing.

Nursery Needs We are still in very short supply of yogurt/small plastic pots for paint and would be grateful of any. We don't require any more junk at the moment we will let you know when we need again. We would like to ask if anyone would have any spare cycle helmets that are in good repair that they could donate to the nursery Thank you.

Achieving Annie We will be introducing the children to **Achieving Annie**, another of our Shannari family well-being puppets.

Snack and Lunch Could we please ask that if you have not already paid snack could you please put the correct amount of snack money in an envelope with your child's name and give to member of Nursey Staff at the door. We are on week 1 on both menus.

Apologies For the mistake in last week's bulletin. We have been making good use of our Hoover that was donated to the nursery by Mrs Dallas.

What have we been learning?

Harvest & Autumn

We continue to learn about Harvest & Farming. This week we have been looking at some of the vegetables which are harvested and have been busy harvesting potatoes in our Nursery garden. A big thank you to those who brought in items or photographs to share.

With the change in weather have been looking at autumn and its features. Please, when you are out and about with your child, have a look for signs of **autumn**. Again, if your child wishes to bring in anything they see or find, please do so.

Kindness **E**veryone showing respect **I**mprovement **T**eamwork **H**appiness

If you have any questions about any of the items in the Bulletin, please don't hesitate to ask a member of the Nursery Team
