To Be All We Can Be

Harvest Feast On **Tuesday 8th October** you will be invited to join your child for a Harvest Feast for our snack where children will have the opportunity to taste a variety of foods linked to harvest. We discussed this with the children and suggestions so far have been vegetable soup after hearing the story Stone Soup and Bread linking this to what we have been learning about Harvest.

Children will also be involved in the preparation for the Harvest Feast shopping for the ingredients and making of the foods you will be served. You will have received an invitation with the final details. We would very much appreciate it if you could bring with you any harvest related items you may have at home, e.g. tinned foods, jams, soups, oatcakes etc. for a Harvest basket we will be donating to the local care home as part of our learning about giving and sharing.

Snack and Lunch Could we please ask that if you have not already paid snack could you please put the correct amount of snack money in an envelope with your child's name and give to member of Nursey Staff at the door. We are on week 1 on both menus.

Whether the weather be cold

 We'll weather the weather
 Whatever the weather
 Whether we like it or nor
