

Keith Primary School Nursery Bulletin

15th April 2018

Welcome back! We hope you have had an enjoyable Easter break.

Snack Money for this term is now due. **Amount due is £ 20.00 for 5 sessions.** New children £19.60. Children attending 3 days see Mrs Haley. Please make payments to the office by **Friday 26th April** at reception between 11.00am and 1.00pm. Thank you.

Late Arrival/Collections Recently, an increasing number of children have been arriving late to nursery and parents have been late at pick-up time. We do have procedures and systems in place for when this happens. However, when this does happen at the start of the session, children can miss the valuable sharing of learning intentions for the day and it takes a member of staff away from the role they should be doing. At the end of the morning nursery session, staff have a very quick turnaround to prepare the nursery for the afternoon children and have some lunch and at the end of the afternoon session, staff finish at 4.00pm. We would appreciate if you can be mindful of this.

Communication Books A reminder that these books **must** come to nursery with your child on a daily basis. This is to prevent staff having to write notes on pieces of paper which are easily misplaced or lost. We appreciate that you may not have required to be notified of anything as yet but it is often the case that when a book is needed it is not there. This book can also be used to inform us of any upcoming appointments and/or questions you may have.

Lending Library The lending library will begin next Tuesday. Book bags go out on a Tuesday and should be returned the following Monday to ensure your child receives a new book bag.

Library & Board Games Helpers You will have received a note in your communication book or a copy of the rota for the above before the holidays, if you had signed up to help. There are also copies of the rota on the noticeboard in the cloakroom.

Show & Tell The Show and Tell will continue for those children who have not had the opportunity as yet. We look forward to sharing your favourite stories.

Essentials We are happy to see signs of spring and a change in the weather, however it can still be cold when we are up in the woods so we ask that children always come with jackets and appropriate clothing every day. For all new children, please can you provide your child with a pair of wellies and waterproof trousers to be kept in nursery as we are outside nearly every day. Thank you.

School Photographs The nursery group school photograph will be taken on Monday 22nd April.

Orthoptic Screening is due to take place this term. The date is yet to be confirmed.

Spring Show This takes place this Saturday. All classes in the school, including the nursery will have entries. Nursery will be entering 6 pictures created with spring in mind. All are welcome to attend the show to see the exhibits.

Termly Overview This will be with you soon, to inform you of what your child will be learning over this summer term.

There is no nursery on Friday for Good Friday – enjoy the long weekend and we will see you all back next week!

*If at any time you have concerns or questions, please approach a member of nursery team or contact Mrs Connelly.
